Hi s47E(d)

All Air Force Media taskings are handled via email and our March taskings are all still in our group inbox (ie. March taskings have not yet been filed in Objective). While media enquiries may be discussed with Defence Media by phone prior to being tasked, we do not use phone calls or messaging platforms to formulate responses to media enquiries. Any and all records that might exist within Air Force Media would therefore only be located in the Air Force Media group mailbox.

The attached screenshot of s47E(d) search for the request search terms shows that the only records relating to this FOI request are the FOI request itself.
