Public AIC Plan

Company Name: Jenkins Engineering Defence Systems (JEDS)

Project Description: Collins EW Improvement Project (CEWIP)

Contact Details: Info@jeds.com.au

Project Locations: *JEDS Head Office:* Unit 1 / 1 Military Road (PO Box 327) Matraville NSW 2036
JEDS Western Australian Office: 9-11 Cessnock Way Rockingham WA 6168

Executive Summary:

Jenkins Engineering Defence Systems Pty Ltd (JEDS) is a wholly-owned Australian company that specialises in the design and manufacture of Electronic Warfare (EW) products - including software; and the service and support of EW, radar and radio communications systems.

JEDS has been contracted by the Commonwealth of Australia to design, develop and manufacture Direction Finding (DF) Periscope Antenna Units (PAU) for Collins-class submarines. The program is expected to commence in early 2016 and conclude in Late 2020.

The current estimated value of the Contract No DMO/ESD/00054/2015 is approximately AUD \$10,000,000 including an estimated AUD \$7,879,150 of work undertaken in Australia by Australian Industry.

Five Australian companies will be subcontracted work:

Local Industry Activity	Company Name & POC	Activity Location
Firmware/Software development DF processing	<i>Solinnov Pty Ltd</i> Contact: Sanka Piyyaratna (Director) Mobile: 0403 223 900	Adelaide, SA
E-glass (composite) radomes for all the antennas	<i>McConaghy Composite Solutions</i> Contact: Eric Desjardins (Project Manager) Work: 02 9997 7722	77 Bassett St Mona Vale (Sydney) NSW
Environmental testing	<i>Austest Laboratories</i> Contact: Martin Garwood (Managing Director) Work: 02 9680 9990	2/9 Packard Ave Castle Hill (Sydney) NSW

Job Number: D13619 DMO/ESD/0054/2015	Doc No: M-001-R5 Date: 24 Feb 16	Page C-2
CDRL Line No: MGT-100	Title/Subject: CEWIP AICP Annex C – Public AIC PAn	

Local Industry Activity	Company Name & POC	Activity Location
Castings	<i>VEEM Ltd</i> Contact: Jan Prinsloo	22 Baile Rd Canning Vale (Perth), WA
	Production planner/Estimator Work: 08 9455 9355	
Development and Delivery of Specialist EW training packages	<i>SouthTech Professional Services Pty Ltd</i>	102 McEwan Rd Heidelberg West (Melbourne) VIC

Future Work Opportunities & Industry Engagement:

While JEDS has addressed the full scope of this Contract in its RFT response, there may be further opportunities for Australian Industry to be involved in the areas of Finite Element Analysis (FEA), XXXX, and environmental testing; and these will be promulgated through the following Australian Defence Industry Associations of which JEDS is an active member:

- Australian Industry Defence Network (AIDN),
- Australian Business Defence Industry (ABDI),
- Australian Industry Group (AiGroup), and
- Association of Old Crows.

For Australian opportunities with JEDS for this project, interested parties should contact the below
