Subject: Inquiry on the personal account of LinkedIn and Facebook [SEC=UNCLASSIFIED]
Date: Tuesday, 15 August 2017 3:17:15 PM

UNCLASSIFIED

Dear Sir/Madam,

I have just joined defence, and have had personal accounts of LinkedIn and Facebook before joining Defence.

I used to add my new position title including my employer's name in my profile of LinkedIn and Facebook when I commenced working for a new employer.

Can you advise whether I can add my new position title and organisation's name on my account profile of LinkedIn and Facebook or not?

Your advice shall be much appreciated.

Yours faithfully

s47F
