Company Details

Company name: Mountcastle Pty Ltd
Location: Yeronga, Queensland
Contact Details: Tel: 07 3848 5855
Website: [www.mountcastle.com.au](http://www.mountcastle.com.au)
Project Location/s: Yeronga, Queensland

Executive Summary

Mountcastle Pty Ltd has been manufacturing headwear for more than a century and currently deals with approximately 400 suppliers of raw materials, which are sourced for hat and cap production across more than 300 styles of product. The manufacture of the Slouch Hat will be undertaken at our Brisbane manufacturing plant where we employ 20 staff. Additionally, we estimate that a further 30 staff are employed within our extended supply chain.

Maintenance of Australian content is critical to the production of a number of items being produced by our company. This can be demonstrated by the Slouch Hat, Puggarees and Chinstraps Standing Offer Deed, that will be undertaken over the next 5 years, where we have achieved approximately 79% Australian content.

The table below indicates the Australian organisations involved in the manufacture of Mountcastle products and who will form an integral part of delivering the Slouch Hat.

Scope of Future Work Opportunities

We are able to achieve the above through our current suite of long-term suppliers along with access to alternative supply arrangements. We continually seek to strengthen this network and invite suppliers of the below materials to submit expressions of interest where they will be assessed on quality and price:

- Leather Basils Sheepskin and Bovine 1st grade
- Rayon, Cotton/Rayon Bindings and Bandings
- Providers of dying services for piece lots and trimmings
- Providers of Poly Cotton and similar fabrics woven and dyed in Australia
- Providers of water based Adhesives, suitable for use in fabric bonding

Industry Engagement

Mountcastle would encourage any business or Industry Association that would like to make an enquiry regarding the supply of Australian materials to direct their enquiry to Mountcastle’s Production Manager, Mr David Wynn.
