Executive Summary

ASC is contracted to the Commonwealth of Australia to provide Training Services to Training Authority – Submarines at the Submarine Training and Systems Centre on HMAS Stirling, Garden Island, Western Australia.

The scope of contract services includes:

- Provision of Initial, Individual Career and Collective training along with planning, scheduling and training aid maintenance;
- Development and maintenance of web-based training solutions, Submarine virtual walkthrough and the training networks these systems utilise; and
- Training Development of courseware in line with the Systems Approach to Defence Learning.

The contract has a term of five years with the possibility of two three year extensions. Total value of the contract is approximately $36 million with approximately $28 million of work to be performed by Australian Local Industry.

ASC has engaged South Metropolitan TAFE and Calytrix as subcontractors to continue to supply support in Training Delivery, Training Development and Learning Technology Development services.

Future Opportunities/Industry Engagement

If the contract scope is expanded, ASC will work with organisations such as the Australian Industry Defence Network (AIDN) and the Centre for Defence Industry Capability to identify new SME’s that may have the capabilities sought.
To register your interest to participate in future opportunities with ASC, please complete the Registration of Interest form located on the ASC website at [www.asc.com.au](http://www.asc.com.au), located in the Partnerships section.

ASC will contract registered participants upon identification of the requirement.

ASC also participates in various initiatives which provide forums for SMEs to engage with ASC, for example:

- Bi-annual Defence and Industry Conference and Trade show;
- Bi-annual Pacific International Maritime Exposition;
- Participation in and contribution to Defence Teaming Centre events; and
- Attendance at Centre for Defence Industry Capability events.
