SHORT ADJOURNMENT

CMDR RUSH: Thank you, sir. Professor Horsfield indicated that he had an engagement this afternoon. I call Professor Horsfield.

<BRUCE HORSFIELD, sworn: [12.52pm]

<EXAMINATION BY CMDR RUSH:

CMDR RUSH: Q. Professor Horsfield, is your name Bruce Horsfield?

A. Yes.

Q. And are you the Honorary Professor of Communication and Media Studies with the School of Humanities and Communication at the University of Southern Queensland?

A. Yes.

Q. Apart from that honorary professorship, what is your occupation?

A. I'm currently an independent documentary film-maker.

Q. Mr Horsfield, in the course of Mr Montgomery's evidence on Friday --

THE PRESIDENT: Q. If I could just interrupt, are you making a film on the Sydney?

A. No.

Q. Are you involved with Mr Karlov?

A. No.

CMDR RUSH: Q. In the course of Mr Montgomery's evidence on Friday, he referred to you having conducted an interview with a person who was a Naval coxswain with the Occupying Forces in Japan concerning some matter. Firstly, let's start at the beginning. Have you conducted an interview with a person that was formerly in the Occupying Forces in Japan?

A. Yes. I don't know which force he was in, whether it was Navy or Army small boats. I just don't know that. I got the impression he was Army, actually. And the second part of your question, sorry, was?

Q. He was in the Occupying Forces of Japan?

1 A. He said he was.

2

3 Q. Mr Montgomery has referred to him as being a Naval  
4 coxswain.

5 A. Since I got the contact from Mr Montgomery, I wouldn't  
6 know anything about that. I just had this vague idea since  
7 I knew that the Army had a small ship squadron at one  
8 stage, and I just had a vague idea he was Army, but  
9 I didn't look into it.

10

11 Q. What were the circumstances arising that brought you  
12 to interview - what's the person's name?

13 A. Jack Kendle.

14

15 Q. And is that spelled --

16 A. An unusual "Kendle" spelling. I think Mr Montgomery  
17 would have it that it was K-E-N-D-L-E. I've never seen  
18 that spelling before.

19

20 Q. Do you know his address?

21 A. No. I know his suburb or where he was when  
22 I interviewed him, but I looked up the White Pages on the  
23 internet the other day after I'd had a contact from the  
24 Inquiry, and the only J Kendle I could find was at  
25 Fern Bay, north of Newcastle. Now, whether he has died  
26 since or moved to Newcastle I don't know, but I haven't had  
27 any contact with him since I shot my film.

28

29 THE PRESIDENT: Q. When was that?

30 A. Sir, I'm trying to remember when that was. It was  
31 a couple of years back. No, sorry, it may have been more  
32 recent than that. It may have been last year. I'm vague  
33 because I'm not very good at remembering certain things  
34 that I haven't had much need to follow up on.

35

36 Q. Do you have the film?

37 A. I do.

38

39 CMDR RUSH: Q. And can you provide that to the  
40 Commission of Inquiry?

41 A. Yes, I can provide the entire uncut footage on a DVD,  
42 if the Commission requires.

43

44 THE PRESIDENT: Thank you. That would be very useful.

45

46 CMDR RUSH: Q. Professor, how is it that Mr Kendle came  
47 to be interviewed by you?

1 A. At one stage, I was working with Mr Montgomery on the  
2 possibility of a two-part documentary on the Sydney. Out  
3 of that work, that scriptwriting, I put it to him that it  
4 would be nice if we could actually have some of these  
5 people that he had identified actually on tape while they  
6 were still around. Some of them are getting on a bit. So  
7 he gave me a list of people, and I did my best to try to  
8 get interviews with them, but only in relation to the  
9 subject of the Sydney. I didn't go into their life stories  
10 or anything like that. I stayed only with that.

11

12 Q. So, Professor, are there other persons in addition to  
13 Mr Kendle that have been interviewed in relation to the  
14 Sydney?

15 A. Yes. I shot film, the sort of, you know, interview  
16 close-up, with about - I think three or four I did, and  
17 I occasioned one to be shot on my behalf in Manchester in  
18 England.

19

20 Q. Is it possible for you to provide copies of those  
21 various pieces of film or DVD to the Commission of Inquiry?

22 A. Yes and no. If I could explain my answering in that  
23 way, one of the key informants so-called was the late  
24 Eric Cooper, and Eric Cooper agreed for me to go to his  
25 home and film his statement about communications that he  
26 said he had sent to Perth on the night the Sydney was lost.  
27 And when I went along - I'm not an experienced cameraman;  
28 I usually hire people, but this time I took along a camera  
29 myself and a tripod and a mic, and so on, and unfortunately  
30 my recording, for some reason, didn't work.

31

32 But, as luck would have it, I had obtained permission  
33 from Eric Cooper to allow David Kennedy of The Australian  
34 to accompany me. David Kennedy had his camera. So the two  
35 of us were filming. Mine didn't turn out. David's turned  
36 out. David sent me a copy of his. So the original of that  
37 that I have would be in David's possession for Eric Cooper.  
38 But for the others, I think I have them. If I'm vague  
39 about it, it's because I haven't looked at them since I did  
40 them. The project that we were working on didn't go  
41 forward, and I got on with other things.

42

43 Q. Apart from Mr Kendle and Mr Cooper, are you able to  
44 tell us who else was --

45 A. Oh, yes. I interviewed a Mrs Richardson, whose first  
46 name I don't know, and she lives out towards Cobbitty,  
47 Camden way. And I interviewed a guy at Double Bay by the

1 name of - the one who saw the two murals, he said.

2

3 Q. That's MAJ Chapman.

4 A. Thank you. I talked to him on camera. And  
5 Arthur Lane in Manchester. Sorry, I would have been  
6 prepared with all this --

7

8 Q. That's all right. So there's Lane, there is  
9 Chapman --

10 A. Lane, Chapman, Cooper, Richardson and --

11

12 Q. Kendle.

13 A. -- Kendle. I don't know if there are any more.

14

15 Q. And you have the originals of four and a copy of one?

16 A. Yes, yes. Can I just run that through my mind again?

17 Arthur Lane was done for me by Daryl Sparkes at the  
18 University of Southern Queensland, when he was in England,  
19 so he gave me the original, so, yes, I have that.  
20 Mrs Richardson I have, and, in fact, she's on the same film  
21 cassette as Jack Kendle. Eric Cooper I have there  
22 somewhere, and Chapman I must have somewhere. If I'm  
23 sounding just a little bit iffy there, it's because I've  
24 moved house twice since shooting that film. I'm sure  
25 I have all that videotape still together and I could find  
26 it if I had to.

27

28 Q. On the same basis, can we make arrangements with you  
29 to get copies of those five pieces of DVD?

30 A. Most certainly. I could expedite that.

31

32 THE PRESIDENT: That would be very helpful. Thank you.

33

34 CMDR RUSH: Q. Just to read what Mr Montgomery said, he  
35 was asked:

36

37 Q. You have maintained, have you not,  
38 Mr Montgomery, that survivors of Sydney may  
39 have been picked up in a Japanese  
40 submarine?

41 A. I'm not certain of this. There is  
42 certain evidence - there is an item of  
43 evidence which has only just, in the last  
44 two weeks, come to hand, if this is a fit  
45 moment to repeat it. It came from a Naval  
46 coxswain who was with the Occupying Forces  
47 in Japan soon after the surrender and he

1 was detailed to accompany a Naval  
2 Intelligence officer, and that Naval  
3 Intelligence officer visited a township or  
4 place of residence which was known to be  
5 occupied by Japanese submariners, and he  
6 came back with a sack, and when he asked  
7 what was in that sack, he was told, "It's a  
8 number of Sydney tallies" - nametags.

9  
10 A. He said "tally bands".

11  
12 Q. Tally bands?

13 A. That was the word he used. I'd never heard the word  
14 before, but I remember the word.

15  
16 Q. And he indicated they were Sydney tally bands?

17 A. Absolutely. That was what he said, yes. I mean, this  
18 is all on the DVD I can give you. But, yes, quite  
19 unmistakably, that was the whole point of my interviewing  
20 him - that anecdote.

21  
22 Q. And will your records reveal where Mr Kendle could be  
23 contacted?

24 A. I don't know where he is. I could tell you - I could  
25 get close, the reason being that it was one of those things  
26 that was so long ago I didn't keep records on it. I could  
27 tell you the suburb. I think it was Minto, out there in  
28 that new area that has developed between Sutherland and  
29 Lucas Heights.

30  
31 THE PRESIDENT: Q. Minto is between Liverpool and  
32 Campbelltown.

33 A. Oh, it is, too. It's a name starting with M. It's a  
34 name like that.

35  
36 CMDR RUSH: Q. Menai?

37 A. Menai, Menai. Sorry. He was over in that Menai area.  
38 Now, whether he has a silent phone I don't know, but  
39 certainly the spelling checked out.

40  
41 Q. And was the name and the address provided to you by  
42 Mr Montgomery?

43 A. Yes, yes. He might have them. My memory is at the  
44 head of a cul-de-sac in a new area, but I don't have  
45 a record of that. Mrs Richardson you could find through  
46 her son, who's a solicitor [REDACTED]. I wish I could be  
47 more helpful on the addresses, but I had no reason to keep

1           them.

2

3           THE PRESIDENT:    Q.    Did you get far with the writing of  
4           the script?

5           A.    Sir, it depends on what you mean by "getting far" in  
6           an industry which is fraught with difficulties in advancing  
7           a project.  We got to the point where, between the two of  
8           us toing-and-froing, we wrote up two by one-hour script and  
9           sent it to SBS, and SBS had it for a while and then they  
10          sent it back to us rejecting it, and then they a few weeks  
11          later asked for it again and I sent it to them again and  
12          they rejected it again.  At that point, Australia having so  
13          few television outlets, I couldn't see anywhere else we  
14          could go.  I don't think the ABC were interested, and the  
15          commercial channels - it's not their kind of thing, not our  
16          treatment, anyway.

17

18          Q.    And do you still have the script?

19          A.    Probably, sir.  I probably have it filed away  
20          somewhere.  It would be very out of date in view of the  
21          fact that we did it several years ago and so much has  
22          happened.  The curve of research has gone steeply upwards,  
23          I think.  It would be old hat.

24

25          CMDR RUSH:    I have no further matters, sir.

26

27          THE PRESIDENT:   Thank you very much indeed.

28

29          <THE WITNESS WITHDREW

30

31          CMDR RUSH:    I will make inquiries of Mr Montgomery to see  
32          if we can ascertain the address.

33

34          THE PRESIDENT:   Yes, thank you.  All right, I shall  
35          adjourn to a date to be fixed.

36

37          AT 1.05PM THE INQUIRY WAS ADJOURNED TO A DATE TO BE FIXED
